

BILL O'BRIEN AMAZON 28 # 12271 Bwjr./Launched: 1977

VERKOCHT / SOLD / VERKAUFT / VENDU

From the drawing board of Bill O'Brien, the Amazon 28 is a slightly more compact version of the popular and extremely sea-worthy Oceanic 30. This particular vessel has benefitted from many recent additions to the specification, following a mini-refit in 2008, which was carried out (in our opinion) to a high standard, including 2 new 10hp engines! The interior is comfortable, with standing headroom on the bridgedeck, 2 double cabins and a huge heads. It's not difficult to imagine spending large amounts of time onboard this boat - ideal for liveaboard or extended cruising.
