**Description**

This ocean going vessel was original a Leopard 45, later on modified with slimmerbows and a stern extension, so performance is to 3kn better than original. Up wind performance is also much better. This boat has undergone a complete overhaul in 2013 incl. new mast and rigging for € 60.000,=

It is one of the last boats from the yard built in a very solid grp hull, (later boats were sandwich built).
